DIY Printable Party Favor Bag

Print on heavy paper/cardstock (160–220 gsm), cut along solid lines, fold along dashed lines.

Design 1 of 4

Solid Line = Cut Dashed Line = Fold Punch Hole for Ribbon

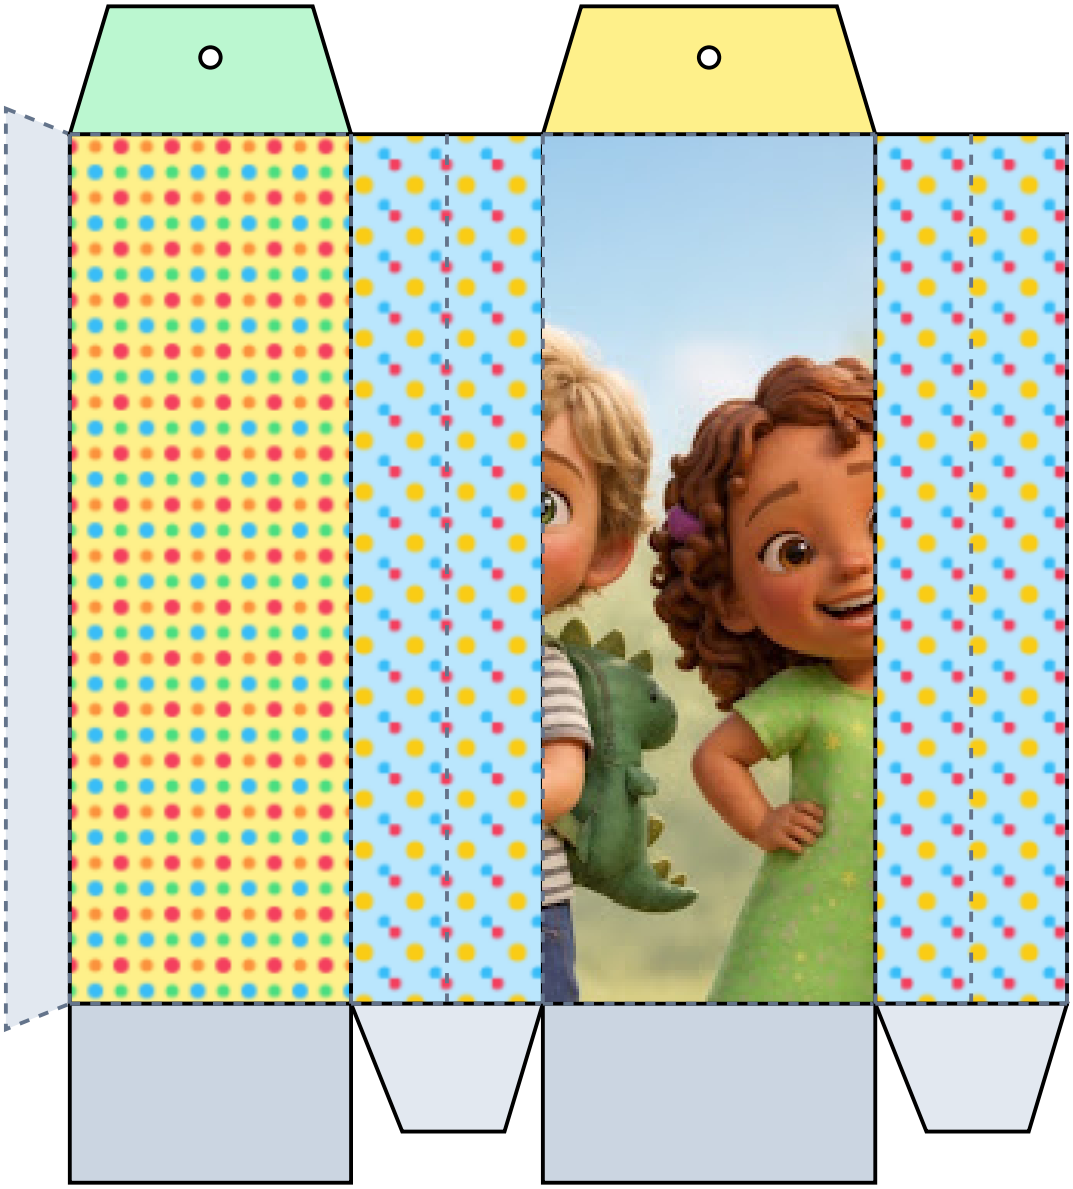

1. **Cut:** Carefully trim around the outer solid border of the template.
2. **Fold:** Crease along all dashed lines inward to shape the box and sides.
3. **Glue:** Apply glue or double-sided tape to the side glue tab & bottom flaps.
4. **Finish:** Punch top holes, fill with goodies, and tie with a ribbon bow!
